

Hearing (and seeing) is believing

VISION AND HEARING LOSS GO HAND-IN-HAND¹

Mature adults¹ and diabetics² are likely to experience sensory impairments. Research also shows an increase of adults in their 20s and 30s with hearing loss.³ How does that impact you? Well, 95% of those with untreated hearing loss feel that it impacts their on-the-job performance.⁴

NORTHEAST DELTA DENTAL HAS YOU AND YOUR EMPLOYEES COVERED

Because we partner with EyeMed Vision Care, we're able to provide your employees with a vision benefit package that includes hearing care through Amplifon — the nation's largest independent hearing care network.
